Located on idyllic coral atolls, Beachcomber Island and Treasure Island are two of Fiji's most popular resorts with an international reputation for fun and crystal clear tropical waters that are a perfect location for open water swims. Just 40 minutes from Nadi international airport, the islands are popular with tourists and day-trippers, so we have created the Fiji Swims to entertain swimmers and spectators alike, be they guests on the island, yachties sailing around the world, or those visiting for the day.

## the 19km Denarau to beachcomber island relay

### THURSDAY 22 AUGUST

The 19km Denarau Island to Beachcomber Island Relay will be held on Thursday 22 August. Teams of 5, duo or solo swimmers are invited to compete in this event that will start at 6:15am from the beach in front of The Westin Denarau Island Resort & Spa (or, out of competition Fiji rules: you can have as many swimmers as you want in your team that safely fit on your escort boat.) All teams must have their own escort boat and one kayak to accompany swimmers throughout the swim. Please contact Bathtub Productions if you require assistance to organise an escort boat and/or kayaks.

## 2.5km & 1 km fiji swims

### SATURDAY 24 AUGUST

The swims are open to Fijians and people from all over the world over the age of 18 and those with parental consent. Competitors will be ferried by glass bottom boat from Beachcomber Island to the Nukuasiga sand bar for the start of the 2.5km swim and from Beachcomber Island to Treasure Island for the start of the 1km swim.

The 2.5km course is from the nearby Nukuasiga sand bar across the channel to Treasure Island and over to Beachcomber Island, swimming above the reef teeming with tropical fish. Designed to introduce people to ocean swimming, the shorter 1km Treasure Island to Beachcomber Island swim is a straight course and the use of flippers is permitted.

In keeping with Beachcomber's reputation for fun, the swims will be followed by the 250m Beach to Boat to Bar race where all competitors wear flippers to run down the beach before swimming around the boat and running back up the beach to collect their beer at the bar (fancy dress is optional). Lunch will follow with a traditional Fijian Ilovo (underground oven feast) and an afternoon of snorkeling, lazing in the sun and other water sports from parasailing to water-skiing.

## fiji swims 'socials'

Our resort partners are hosting a number of social functions before and after the different swims attended by most swimmers and our Olympic Champions.

## where to stay for the fiji swims

*We are pleased to recommend the following resort and hotel partners of the Fiji Swims for you to stay at during the Fiji Swims.*

There are a variety of options for you to choose from in terms of price, location and style. Most people choose to spend at least one night on the main island of Fiji near Nadi International Airport which is also close to the start of the relay and Port Denarau from where boat transfers leave to go to Treasure and Beachcomber Islands.

From 22 August we base ourselves on Beachcomber Island. Many swimmers stay on Beachcomber while others prefer to continue to stay at the Westin or Sheraton on Denarau.
